PHLEBOTOMY

ABOUT OUR PROGRAM

Our program is designed to prepare students for employment as phlebotomists & healthcare support workers. The content in this program includes, but is not limited to:

- ▶ Professional, communication and interpersonal skills
- ▶ Phlebotomy in relation to the healthcare setting
- ▶ Identify the anatomic structure and function of body systems in relation to services performed by the phlebotomist
- ▶ Recognize and identify collection reagents supplies, equipment and interfering chemical substances
- ▶ Infection control following standard precautions
- ▶ Transporting, accessioning and processing specimens
- ▶ Practice quality assurance and safety

Instruction and learning activities are provided in a laboratory setting using hands-on experiences with implements and equipment appropriate to the program's content and in accordance with safety practices in the trade.

ADMISSION REQUIREMENTS

- ▶ 16 years of age or older and not currently enrolled in any K-12 program
- ▶ Occupational Interest
- ▶ Background Check and Drug Testing mandated for externship

PROGRAM STRUCTURE

This program is a planned sequence of instruction consisting of 2 occupational completion points. The length of the program is 165 hours as listed below. Upon completion of the program, the instructor will provide a certificate to the student verifying that the requirements have been met.
